Version 2

The screenshot displays the OpenCast Annotation Tool 2.0 interface. It is divided into several main sections:

- Video Player:** On the left, a video player shows a man standing at a podium. A large play button is overlaid on the video. The timeline below the player shows the video duration from 00:00 to 00:04. Annotations are visible as red bars on the timeline, with one labeled "hidden 1" and another "This is my per".
- Create new annotations:** A dialog box on the right allows users to create new annotations. It includes a text input field for "Write a free text annotation. Use", a "Pause video during writing" checkbox, and buttons for "Insert" and "Edit mode".
- Annotation list:** A list of existing annotations is shown at the bottom right. Each entry includes a time range, a category, and a visibility toggle. The list contains several entries, all with the category "test" and visibility set to "on".

| Time Range | Category | Text | Visibility |
|---------------------|----------|---------------------------------|------------|
| 00:01:02 | test | TES test | on |
| 00:01:28 - 00:01:57 | test | TES test | on |
| 00:01:31 - 00:02:21 | test | This is my personal annotation. | on |
| 00:01:32 - 00:02:01 | test | @flasktag | on |
| 00:01:33 - 00:02:02 | test | TES test | on |
| 00:02:03 - 00:03:39 | test | TES test | on |

Änderungen

- ▶ Layout Änderungen
 - ▶ Bessere Nutzung des verfügbaren Platzes
 - ▶ Freie Anordnung der Elemente
- ▶ Trennung von Lehrenden und Studierenden
 - ▶ Lehrende können öffentliche Kategorien erstellen
 - ▶ Tracks können nur mit Lehrenden geteilt werden
- ▶ Erweitertes filtern
 - ▶ Einzelne Tracks ein/ausblenden
 - ▶ Kategorien ein/ausblenden
- ▶ Übersetzung
- ▶ Besseres Handling von mehreren Annotationen an der gleichen Stelle

Beta
